Privacy and protection at the touch of a button

Control insects and the sun

Enjoy the comfort of fresh air without the nuisance of bugs or damaging sun. Don't let insects or the glaring sun bother you or your guests when you want to enjoy your outdoor space.

Applications for any space

Create a four season room or enclose your patio for endless al fresco dining. Mirage Horizon 4800 screens can help turn a porch, gazebo, balcony or any space into a luxurious extension of your home.

Fits your home & your lifestyle

Mirage Horizon 4800 motorized screens are available with options to give you the look and feel that you want for your home.

- ✓ Fits heights up to 16' & widths up to 22'.
- ✓ The screen sides are retained in tracks to prevent fabric blowout and provide a tight seal.
- ✓ The screens can be recessed into your structure so they are completely out of sight when not in use or alternatively, can be surface mounted.
- ✓ Fabrics are available in many different colors and densities from insect protection to complete blackout.
- ✓ Mirage Horizon 4800 technology allows for your screens to be fully automated with your smart home or simply operated with a remote control or your smartphone.

Screens that stay out of your way

Mirage Horizon 4800 screens retract out of sight at the touch of a button, providing you and your family maximum flexibility and comfort.

Quality you can count on

Proudly manufactured in North America, Mirage uses only the highest quality components and finishes to ensure your screens last for years of relaxation.
